having been active in local organi-
zations for many years. He is a
staunch teetotaler, and also a non-
smoker. His life has been one of
hard work and many knocks, but he
has weathered all storms and today
enjoys remarkable health.

After Chairman of Selectmen
David Kelley had presented the cane
Goodwin, who enjoys remarkable
health for his age, said he attributes
his fine condition to hard work, ab-
staining from smoking and never be-
coming intoxicated. He added that
another reason he is still spry and
healthy is because he has a good
share of New Hampshire Indian
blood flowing through his veins.
